

## Instructions for Use

(please read carefully before using)

NDC 8163-9653-15

15 mL dropper bottle

### ***PiercingCare***<sup>®\*</sup> Antiseptic (OTC)

*PiercingCare*<sup>®</sup> was formulated to reduce bacterial contamination in wounds, specific to ear/body piercings (including tattoos). It is a technologically advanced antiseptic that has found other uses as an antiseptic wound dressing primarily because of its unique formulary. *PiercingCare*<sup>®</sup> contains *hyCURE*<sup>®</sup>, a medical hydrolysate of collagen and a proprietary bioactive product. The antiseptic properties from Chloroxylonol, the healing properties of *hyCURE*<sup>®</sup>, and the bioactive make this product a “smart antiseptic.”

#### ***Active Ingredient:***

Chloroxylonol

#### ***Inactive Ingredients:***

Citric acid, collagen hydrolysate (*hyCURE*<sup>®</sup>), deionized water, PROTECTAN (proprietary bioactive), SD Alcohol 40B, trimethylammoniopropyl guar chloride.

#### ***Indication:***

For use in the antiseptic management of wounds such as cuts, scrapes and burns.

#### ***Characteristics:***

- \* creates an antiseptic wound site for optimal healing environment
- \* contains proven *hyCURE*<sup>®</sup> collagen product for protecting new granulation tissue and providing an optimal moist healing environment
- \* biocompatible and biodegradable
- \* easy to handle and deliver

#### ***Product Administration:***

1. Cleanse wound site with normal saline solution or warm water.
2. Liberally apply *PiercingCare*<sup>®</sup> to the wound site.
3. Depending on the severity of the wound site, cover wound with gauze or a Telfa<sup>®</sup> pad.
4. Remove dressing and repeat as necessary.

#### ***Warnings:***

For external use only. If redness, irritation, infection or pain persists or increases, discontinue use and consult a doctor. Do not use this product if you are having any allergic response. Do not use in the eyes or over large portions of the body. If improvement is not seen in 7 days, discontinue use. Keep out of reach of children.

#### ***Storage:***

Controlled room temperature.

#### ***How Supplied:***

*PiercingCare*<sup>®</sup> is available in a 15 mL dropper bottle; can be supplied in bulk or special packaging.

#### ***Product Ordering Information:***

Reorder # 990115 – 15 mL dropper bottle
